Re: **United States v. Danny Kuo, 12 CR 121 (RJS)**  
**Danny Kuo –Motion to Exonerate Bail**

Dear Judge Sullivan:

This morning, Your Honor signed the *nolle prosequi* submitted to the Court by the government. Therefore, Mr. Kuo's bail should be exonerated, and I move to exonerate his bail. An order exonerating Mr. Kuo's bail is enclosed, and I ask the Court to sign it and file it on the Court's electronic docket. I will separately approach the government and request that it execute documents sufficient to remove any liens established against the suretors' real property to secure Kuo's bail.

Thanks for your attention to this matter.

Respectfully submitted,

  
Roland G. Riopelle
